To whom it may concern

Otumoetai College have been using Shawn and his team from **Trees Done** for over two years and have found them to be reliable and punctual. Their workmanship is of a consistent high standard and the area is always left clean and tidy.

Trees Done have completed a varied amount of work, including tree maintenance, lifting of tree branches, felling of dangerous trees, chipping and stump removal, all at a very competitive price.

Shawn communicates well, keeping the college up to date with their progress and is very easy to deal with.

We highly recommend **Trees Done** and his team to anyone requiring the service of an arborist.
